

**NYYM WORLD MINISTRIES COMMITTEE
June 2012 Funding Report**

The WMC conferred via email to review four grant proposals. The result of the discussion was approval of all grants, which are detailed on the chart below.

The amount available for grants at this time is \$18,273.89. The amount granted during this period is \$9,750.00 which leaves \$8,523.89 for future grants.

The committee will confer again when more proposals are received, probably after summer sessions at Silver Bay. The clerk will try to solicit additional proposals which will be in keeping with the mission of the committee.

The grants were approved by Lawrence Coulthurst, John Bryant, Paul Rehm, Miriam McGiver, Arlene Reduto, Deborah Wood, Edward Doty and Susan Weisfeld. The other two members of the committee did not respond to emails, which were sent over a two-week period. (These members have been inactive for several years due to illness and travel obligations).

Submitted in Peace and Friendship,

Susan Weisfeld, clerk, WMC
