

Walking Directions from South Orange Train Station to Seton Hall

Come down the stairs, exit the station to the left, towards Dunkin Donuts, and turn right at DD. You are on South Orange Avenue heading east towards SHU. Stay on South Orange Ave., which stays to the right of the memorial flagpole, until you reach SHU. You can continue to the main entrance (for cars) about two more blocks, or you can take a right onto Ward Place, which is the beginning of the campus, and walk to the Ward Place Gate and enter there. It should be open by 8 A.M. Ask the guard for directions. The University center is at about 10 o'clock as you face the guard house.
