The *Anna O. Buchholz Memorial Lecture* 2013
Approaching Faith – A Quaker Speaks

For more than 360 years the members of a faith community,
who simply call themselves Friends or Quakers
have gathered in expectant silence,
without clergy, rituals, doctrines, or creeds.
Together in worshipful silence, Friends experience Divine Love
as a knowable Presence that guides and orders their lives.

Everyone is welcome!

This message is for all people, for seekers, the curious, young and old,
from all walks of life, of any faith or of no particular faith.
Just come as you are, with an open mind and a listening heart
to hear a message of faith for the 21st Century!

Light refreshments will be served after the message.
