Come to Summer Sessions!

Summer Sessions at Silver Bay are almost upon us! Our plenary speakers, Jon Watts and Maggie Harrison, are talking and singing about the message "Clothe Thyself in Righteousness," which should reinforce the Summer Sessions theme "Living and Nurturing Integrity."

The deadline for financial assistance is July 2, 2012. However, getting your request in earlier helps us handle all the requests.

For more information please see May *Spark* or visit http://bit.ly/MDtNYs.

Car Pool ... Train Pool ... Taxi Pool Transportation to Silver Bay

This year the NYYM Sessions Committee is trying to facilitate travel to Summer Sessions at Silver Bay. If you would like to offer a ride, need a ride, or want to share train travel to Silver Bay please contact the NYYM at office@nyym.org. Put TRAVEL in the subject line. We are also trying to arrange taxi or volunteer transport to meet the 1:17 p.m. train in Ticonderoga on Sunday, July 22, 2012.

Amtrak has a special offer that's good all summer and into the fall, except Labor Day, for trips to Ticonderoga—from anywhere along the NYC-Montreal route. If two adults travel together the second ticket is **free**. Kids already travel half price.

Tagless Tag Sale at Silver Bay

Yes, there will be a Tagless Tag Sale at Silver Bay during Summer Sessions this year. The Tagless Tag Sale will be held during the Fun(d) Fair on Wednesday, July 25, from 2:30–5:30 p.m.

If you have sale items (new or used items in good shape) to donate, please contact office@nyym.org. Or simply bring your salable items to Silver Bay.

Treasures that you are ready to pass on sell well, as do clothing, jewelry, small electronics, household items, and things for children. The Tagless Tag

Sale benefits the Sharing Fund and Powell House. Tax-deduction receipts for in-kind charitable contributions will be available upon request.

Submit Your News for Summer Sessions and InfoShare

Each day at Summer Sessions the daily *Minute* is published, informing Friends about updates to the schedule, events, and other items of interest. The *Minute* for Friday, also known as the take-home *Minute* because attenders often take it home with them, to share with their meetings, will also form the basis for Summer *InfoShare*, which will be posted at www.nyym.org in August.

Please submit your items to office@nyym.org before August 6, 2012.

NYYM's New Communications Director

Adam Segal-Isaacson, clerk, Communications Committee

NYYM's new Communications Director, Steven Davison, will start in July 2010. Currently a member of Yardley Meeting (PYM), he was very active in New York Yearly Meeting in the 1980s and 1990s. Steven brings a lot of experience and enthusiasm to his new position. He looks forward to learning his way in the communications director position, but already sees

ways NYYM can increase Friends' sense of community in the Yearly Meeting and effectively reach out to the larger world and draw people toward Friends. He has extensive experience in managing publication and Web projects.

Despite his experience, Steven sees his work for NYYM not merely as a job to be done. "The really important side of all this is the ministry side of it. This position is ministry through words," he said. He sees the opportunity "to be a midwife to a renewal" by using the communication capabilities of NYYM to reach out and increase community among ourselves. Renewal depends on young people, so it is especially important to draw them into the community. Consequently, he sees himself as helping to lead NYYM into newer methods of intercommunication without abandoning the older more traditional media. Among other writing projects, he currently is writing a book on *Quakers and Capitalism*. I welcome Steven back to NYYM and look forward to using his ideas to increase our community.

> Northeastern Christ-Centered Friends Gathering "At Jesus' Feet" August 17–20, 2012 Charlton, MA

The Fourth Annual Northeastern Christ-Centered Friends Gathering, for both the committed and the curious, will take place August 17–20 at the Prindle Pond Conference Center, Charlton, MA.

This gathering reaffirms our original epistle from our 2009 gathering: "to Friends everywhere, and to all who seek love, joy, hope, and meaning in life" and "Knowing that language and doctrinal notions have caused unnecessary divisions among people of faith, we have no desire to add to these, but simply to stand with Jesus Christ at an open door, where He offers His light and love." Our second gathering, 2010, called us to "be Living Epistles of Christ" as written in 2 Corinthians 3:2-3. Our third gathering's statement included: "We joyfully invite each other to continue this experience of our blessed community in Christ, learning and growing together in our faith and practice."

Fees:

Lodging and Friday dinner thru Monday lunch, \$225.00 per person Tenting and all meals, \$150.00 per person Day attendance only with no meals, \$25.00 per person Children receive a 20% discount on all these prices.

FGC New Meetings Project

Friends General Conference (FGC) is pleased to announce the formation of the "New Meetings" project to nurture new worship groups and meetings in the United States and Canada. The formation and launch of this project are being made possible by a generous two-year grant totaling \$400,000 from the Thomas H. & Mary Williams Shoemaker Fund. Also, to encourage other Friends to support this work, the Shoemaker Fund is requiring that FGC raise an additional \$100,000 in order to receive the full award.

The "New Meetings" project is being developed in response to inquiries from Friends asking for support in starting new worship groups and meetings.

Very soon, FGC will advertise for a full-time staff person to shepherd the development of the new meetings project. We will also begin to create materials to guide the formation of new communities, design workshops that will ground and prepare Friends called to anchor new meetings, and select and support a travel team who will visit new worship groups and meetings to support the deepening of their spiritual practices.

Casa de los Amigos Achieves A Great Step Forward for Migrants and Refugees In Mexico City!

Hayley Hathaway, Casa program Coordinator

"Tochan" means "our house" in Nahuatl.

On Friday, June 15, Casa de los Amigos in Mexico City celebrated the opening of Tochan, a new house in the western part of Mexico City that serves, like the Casa, as a temporary refuge for migrants and refugees. A community gathered to celebrate the joyous day.

Tochan opens in response to the serious need in Mexico City for this type of emergency housing.

For three years, Casa de los Amigos has been part of a coalition working to establish this

shelter. The coalition has worked hard to secure a location, raise awareness and funds, obtain new beds, blankets, furniture, and kitchen supplies, fix up, clean, and paint the house, work with the neighbors and local authorities, and set up safety and governance guidelines. Casa staff and volunteers participated at every step. We raised money, attended countless meetings, helped draft operative procedures for the house, we scrubbed and painted.

This is a beginning. To close Friday's event, children planted an olive sapling in Tochan's garden. As we move forward together, the Casa will continue to share our substantial experience of years of providing emergency housing to migrants and refugees in Mexico City. Right now, we have two of our amazing volunteers, Brian Rucker and Genesis Bui, using their summer to help create stability and community as Tochan takes its first steps.

We're moved by our dedicated and able collaborators—it is a gift to work with all of them on this project. And we're grateful to all of you who have supported the Casa in so many ways - we couldn't do this work without you. iGracias!
