----------------------------------	-------------------

Corrections:

Two Friends were incorrectly listed in the Summer Sessions consent agenda as having new terms starting following Summer Sessions. These Friends were in the midst of existing terms and should not have been shown as starting in a new class. Friends are asked to approve this confirmation of the correct information as to their committee classes:

Indian Affairs

Rebekah Rice	Class of 2017
--------------	---------------

FWCC

Gloria Thompson	Class of 2017
-----------------	---------------
