

FGC Gathering in New York State Next Summer

Friends General Conference (FGC) holds a gathering of Friends each Summer in early July. Typically 1,000–1,200 people attend for a week of workshops, plenaries, worship, fellowship, book talks, interest groups, music, and much more. Kids tend to love the Junior Gathering and High School Program. The location moves to a different part of the country each year. In 2017, July 2 - 8, it will be in Niagara Falls, NY. Many people from NYYM and Canadian Yearly Meeting have already been working on planning, from evening programs and worship to daily field trips and workshops. Registration will begin in early April. www.fgcquaker.org. Questions: contact Steve Mohlke - steve@fgcgathering2017.org
