

Report on FUM personnel policy

Hudson Meeting

Knowing that Summer Sessions is coming soon, I wanted to send you [Deborah Wood, clerk of NYYM's Nurture Coordinating Committee] an update on where we stand with regards to this issue. I have been asked to report the following:

Hudson Friends Meeting has continued its discernment on its response to FUM's personnel policy and Brooklyn Monthly Meeting's minute. At this point in time we have unity on this being an issue of concern for our meeting and want to express that we are not passive with regards to this concern. We have varying opinions and see various ways to address this matter, and therefore do not see a clear path to take at this time. That said, we applaud, encourage, and support any efforts made by NYYM to affect change to FUM's personnel policy.

In Friendship,
Lisa Edstrom
