We hope that you will consider this request to be well-ordered and needed, and that you will make a donation in an amount that reflects both the value our yearly meeting has for you and your own capacity to give. [Donate online](#) or call the NYYM office at 212-673-5750 to donate.

Help Enrich Worship at Summer Sessions

Dear Friends,

Each year, our community gathers for worship, business, and fellowship at Summer Sessions. Might you feel led to offer a message, a song, a story, or a Scripture? There are many opportunities to serve in these ways: **opening and closing worship** (Sunday evening and Saturday morning); **community worship** (all ages, Monday through Friday); and **vespers** (ecumenical gatherings in Silver Bay's chapel in the evenings).

If you would be interested in knowing more, or if you'd like help discerning which of these opportunities might be a good fit, please reach out to [Barbra Bleecker](#), clerk of worship at yearly meeting sessions.

Earthcare Outreach Collaborators Needed

Rochester Monthly Meeting recently relaunched our Earthcare Committee. We are actively seeking collaboration with other Meetings on Earthcare related issues. Two important initiatives are unfolding: We are working with area schools to bring more nature into the lives of K-12 school children, and we are networking with several Rochester faith groups to introduce Creation Care practices on land around their worship spaces. If you as an individual, or as part of a worship group, would like to learn more, please contact Roy Allen at seven7cats@gmail.com.

More Earthcare News

Did you know that NYYM has an **Earthcare Working Group** (EWG)? Do you know *what we do**? Do we know *what you are doing*? Let's find out together. [Contact](#) EWG co-clerk Margaret McCasland to share your story and to hear ours.

*In addition to providing support and networking, the EWG now funds small Earthcare projects.
