

Program for Children

(Ages 4 to Grade 5)

Come play, create, sing and listen together! Program will include an exploration of Edward Hicks' "Peaceable Kingdom" series and how we create peace today in our homes and communities. On Saturday afternoon, we'll join the older youth for a beach clean up and visit Council Rock in Oyster Bay where George Fox preached in 1672! We'll also welcome a special guest joining us from 19th century Long Island.

Childcare available for children 3 and younger; register by March 17.

Program for Youth

(Grades 6-12)

The youth program will span the history of Quaker witness from the Flushing Remonstrance to the work of individuals and organizations today working for peace and justice. Youth will explore how they each feel called to bring the peaceable kingdom to our turbulent world. Saturday afternoon will include a service project with younger Friends.

Overnight Opportunity for High School: Friday and Saturday evenings there will be a program and overnight for students in grades 9-12, at Matinecock Meeting. **Details on the NYYM website.**

Friends Academy & Matinecock Meeting
Locust Valley, NY
Friday, March 31 — Sunday, April 2

ONE NYYM Community: All ages of children and youth will join the gathered yearly meeting community at times in the weekend — for meals, and for worship. Both groups will focus on fellowship and community building, as well as exploring the Sessions theme: "Bringing the Peaceable Kingdom to a Turbulent World."
