

FRESH POND MONTHLY MEETING
OF THE
RELIGIOUS SOCIETY OF FRIENDS

October 2, 2016

Dear Friends of New England Yearly Meeting:

We send you warm greetings with our member Kathleen Wooten.

A member in good standing of Fresh Pond Monthly Meeting, Kathleen travels among Friends with a strong concern for the many ways we connect and are in relationship with each other. Kathleen hopes that her visits serve to strengthen the bonds of love and friendship around New England and beyond. While face-to-face meetings are the foundation of Kathleen's practice, she carries a concern for digital ministry and the ways we connect, communicate, and support each other through various electronic media. We have witnessed and benefitted from this ministry ourselves.

We experience Kathleen as carefully listening for the ways that Spirit is at work, carrying new Truth as it Prospers among Friends. Please welcome Kathleen as she visits among you. We look forward to hearing from her how the Spirit is moving among Friends in New England.

On behalf of Fresh Pond Meeting,
